The Middle East and Israel

Israel is a leader in the House in supporting U.S. assistance for the State of Israel and has been an active voice on behalf of U.S.-Israeli relations. In July of 2014, Rep. Israel's bipartisan resolution supporting Israel's right to defend itself was passed unanimously. He called for the arrest of Iranian President Ahmadinejad on charges of incitement and genocide, led bi-partisan efforts to strengthen sanctions against Iran, and helped lead the funding of cutting-edge military equipment and technologies to maintain Israel's qualitative military edge. In March of 2012, he was appointed to the U.S. Holocaust Memorial Council, serving with seven other members of Congress.
