“Maot Chittim”

It is customary to add a donation to the special Passover Tzedakah Fund called *Maot Chittim*, which literally means “Coins for Wheat”. Especially during this year, we remember those who are less fortunate than us. It is important today to contribute funds to those in need. Often, when we open the door to our homes on Passover evening and invite those who are hungry to come and eat, there is no one to hear our invitation. Instead, one way to fulfill this mitzvah is by donating to Maot Chittim.
